## ROLL OF MEMBERS.

At different times in the history of the Church the record of meetings is imperfect or entirely wanting, and hence probably a few errors may occur in the roll of members. In March, 1867, a careful examination of the records was made by a committee consisting of Eli Earnham, John G. West, Samuel Hitchcock, Wm. R. Butcher and Norman Churchill. Their labors resulted in the following "Register" or "Roll of Members," concerning which a few explanatory notes are necessary:

1. Numbers before names denote the order of admission.
2. Numbers, in parenthesis, after names refer to the parents; ad., adopted.
3. Names in parenthesis refer to the husband.
4. A small w denotes wife; b, brother; s, sister; n, nephew or niece; and a small w in parenthesis, with a number denotes "wife of," etc.
5. A small p, denoting "on profession," is followed by the date of admission; in a few instances a small l denotes received on certificate, but commonly the church from which the member came is designated by an abbreviation, followed by the date of admission—thus: P. denotes Presbyterian; C. Congregational; M. E., Methodist Episcopal; M. P., Methodist Protestant; W. M., Wesleyan Methodist; L., Lutheran; E., Protestant Episcopal; Ch., Christian; R., Reformed Dutch; B., Baptist; C. P., Cumberland Presbyterian; E. R., Evangelical Reformed; F., Friends; E. U., Evangelical Union.
6. D. denotes dismissed; d., deceased; W., withdrawn; and the number placed immediately after these letters is the date of removal.
7. A number following small n is the age at the time of death.
8. Names of ministers of the gospel are in italics, while those who have been pastors of this Church are in small capitals.
9. In certain cases the same person is designated by more than one number, as—

112 and 1082	441, 1116, 1590	979 and 1277	1083 and 1330	1297 and 1507
419 and 1093	929 and 1117	957 and 1278	466 and 1412	1201 and 1515
995 and 1100	810 and 1134	916 and 1286	707 and 1453	1345 and 1516
996 and 1101	803 and 1135	914 and 1287	1161 and 1493	1359 and 1557
903 and 1107	83 and 1182	1049 and 1317	1334 and 1509	967 and 1549
670 and 1124	612 and 1265	923 and 1335	1280 and 1510	1343 and 1600
416, 1115, 1589	586 and 1271	1049 and 1330		

Errors in prefixing numbers to names have been partially remedied by duplicating numbers. The name denoted by 731 should have been placed in July, 1850, and those by 655 and 656 in May, 1852. Through inquiry, corrections were made in this register down to the last day before publication, and hence the statistical paper and the register will be found to differ slightly.

N. B.—All information leading to the correction of errors or the filling of blanks in this register should be sent at once to Milton L. Comstock, 611 Academy street, Galesburg, Ill.
